THINGS YOU NEED TO KNOW: We will apply a 50% discount to all your Cisco Cloud Services charges between 1 March 2015 and 31 May 2015 ("Promotion Period"). The discount applies to new and existing Australian customers with a registered ABN or ACN who already have or take up a Cisco Cloud Service during the Promotion Period. We'll apply the discount to any bill which includes Cisco Cloud Services resources you consume during the promotional period. Outside of that, you will be charged at the regular rates shown in our Cisco Cloud Services Pricing Guide. If you do not wish to pay the standard rates, you must cancel your Cisco Cloud Services before the end of the Promotion Period.
